Madam/Sir,

Sub: Random Physical Verification of Kanyashree Applications.

Physical verification of Kanyashree applicants was introduced at the onset of the scheme. In order
to ensure that the genuine and eligible girls get the benefit, all K2 cases were required to be
verified physically. But it is observed that this physical verification process is taking much longer
time than expected, thereby delaying the process of sanction and disbursement.

Therefore, after careful consideration of the fact, I am directed to convey that the format
for physical verification is simplified and now left optional to the district authority so that they
may go for sample verification. The simplified format is enclosed with this letter for your ready
reference.

Encl: As stated

Yours faithfully,
